RULES FOR AWARDS

I. AWARDS - GENERAL

Awards may be established by the Board of Directors (Article XI, Section 3 of the Bylaws) as a means of recognizing those who have performed some noteworthy or unusual service to the Society, District, and Section or for some outstanding achievement in the science, technology and application of welding.

II. NATIONAL AWARDS COMMITTEE

AWS Awards Committee members shall be appointed each year by the President, with the approval of the Board of Directors as soon as possible prior to or after January 1, and vacancies in the committee shall be filled in the same manner. It shall consist of ten members, excluding ex officio members, each to serve for a period of three years, two members of which retire each year.

The President shall designate the Chairman of the Committee. It shall be the duty of this Committee to supervise all of the awards programs of the Society, except awards assigned to other committees; and to nominate those to present honorary lectures at National meetings and arrange for the presentation of such medals, certificates, or other awards as may be authorized by Districts Council.

The Awards Committee shall delegate to the Subcommittee of its choosing, or otherwise provided herein, specific duties falling within their scope including Meritorious Certificate Awards Subcommittees at the National, District or Section levels.

It shall be the duty of the various Subcommittees to propose to the Committee on Awards, those recommended to receive Society administered awards.

III. DISTRICT/SECTION INITIATED AWARDS

In order to recommend candidates to receive the Howard E. Adkins Memorial Instructor Membership Award, Private Sector Instructor Membership Award, District/Section Educator Awards, District Meritorious Certificate Award and the Dalton E. Hamilton Memorial CWI of the Year Award (National/District/Section levels); each year there will be a District Awards Subcommittee in each District. It shall consist of the District Director as Chairman and Section

Chairmen, or their appointed alternates, within that District. These shall be considered subcommittees of the Awards Committee.

Nominated individuals must be an AWS member to qualify for the District and Section level meritorious awards. AWS membership is not a qualifying factor for the Howard E. Adkins Memorial Instructor Membership Award, Private Sector Instructor Membership Award, District/Section Educator Awards or the Dalton E. Hamilton Memorial CWI of the Year Awards.

a) HOWARD E. ADKINS MEMORIAL INSTRUCTOR MEMBERSHIP AWARD – This award is sponsored by family and friends of Howard E. Adkins and recognizes instructors for their outstanding teaching accomplishment at the high school, trade school, technical institute and junior college levels.

Each awardee receives a certificate, two-year full membership in the American Welding Society and free registration to attend the AWS Show and all technical sessions in the year that the award is presented.

The AWS District Awards Subcommittee, with their District Director's approval, may submit the name of one nominee by August 1 to the Chairman of the Awards Committee. A Section may nominate no more than one individual each year.

Districts with total membership exceeding 800 may submit one additional nominee. The Awards Committee selects two recipients for this award. However, no more than one Adkins award may be given within a District in any one year. Final approval is given by Districts Council at their spring meeting. The certificate is presented at the annual Awards/Foundation Luncheon held during the fall AWS Show. For an application submitted August 2010, selected by the Awards Committee as the recipient, and approved by Districts Council spring 2011, the individual would receive their award material fall 2011.

b) DISTRICT EDUCATOR AWARD - This award was established by the AWS Board of Directors as a means of honoring candidates at the District level, who have been nominated for the Howard E. Adkins Instructor Membership Award but were not selected by the AWS Awards Committee to receive the Adkins Award.

Criteria for nomination follow the same guidelines as outlined in the description for the Howard E. Adkins Award except the submission date. The submission acceptance date is at the discretion of the District Director. Unless other wise designated, all candidates submitted for the Howard E. Adkins Instructor Membership Award will automatically receive the District Educator Award consisting of a certificate that will be forwarded to the appropriate District Director for presentation to the awardee at a suitable setting. Selection is in conjunction with the Howard E. Adkins Award and is automatic.

c) SECTION EDUCATOR AWARD - This award was established by the AWS Board of Directors as a means of honoring candidates at the Section level who have been nominated for the Howard E. Adkins Instructor Membership Award but were not selected by either the AWS Awards Committee to receive the Adkins Award or by the District Awards Subcommittee to receive the District Educator Award. Criteria for nomination follow the same guidelines as for the Adkins and District Educator Award except the submission date. The submission acceptance date is at the discretion of the District Director. Unless otherwise designated, all nominees submitted for but not receiving either the Adkins Award or the District Educator Awards will automatically receive the Section Educator Award consisting of a certificate that will be forwarded to the appropriate Section Chairman for presentation to the awardee at a suitable setting.

d) DISTRICT MERITORIOUS AWARD - The District Meritorious Award is given as a means of recognizing AWS members who have performed some definite or outstanding service to a Section, a District or to the Society. From these exemplary activities, the member has made outstanding contributions to the enhancement of the art and science of welding.

Each awardee receives a certificate from the American Welding Society recognizing their contributions. The AWS District Awards Subcommittee may submit the name of one nominee by August 1, with the District Director's approval. Districts, with a total membership exceeding 800, may submit one additional nominee. However, no more than one award may be given within a Section in any one year. The certificate will be forwarded to the District Director for presentation to the awardee at a suitable setting.

e) SECTION MERITORIOUS AWARD This award was established by the AWS Board of Directors as a means of honoring candidates at the Section level, who have been nominated for the District Meritorious Award but were not selected by the AWS District Awards Committee to receive the District Award.

Criteria for nomination follow the same guidelines as for the District Meritorious Award. All nominees submitted for the District Meritorious Award will automatically receive the Section Meritorious Award consisting of a certificate that will be forwarded to the appropriate Section Chairman for presentation to the awardee at a suitable setting.

f) DISTRICT DIRECTOR AWARD - This award was established May 1, 1998, and is a discretionary award given by District Directors. This award is to recognize the efforts of members who contribute to their local activities but are not recognized nationally. Each District Director can present up to 15 individual awards each year. Awardees will be listed in the *Welding Journal* and receive a certificate. The certificate will be forwarded to the appropriate District Director for presentation to the awardee at a suitable setting. Due to multiple recognitions, recipient names are not listed in this directory. Upon presentation, recipients are listed in the *Welding Journal*.

g) DALTON E. HAMILTON MEMORIAL CWI OF THE YEAR AWARD
(National/District/Section levels)

This award is sponsored by the American Welding Society in memory of Dalton E. Hamilton, who contributed greatly to the success of the Society's Certified Welding programs. This award recognizes AWS members participating in the SCWI/CWI programs whose inspection, Society, and civic activities have enhanced public awareness of the Society and the CWI program or who have otherwise made an outstanding contribution to the science of welding inspection.

Dalton E. Hamilton Memorial National CWI of the Year Award - This award, administered by the Certification Committee, is given annually by the American Welding Society as a means of recognizing individuals participating in the Senior Certified Welding Inspector (SCWI) and Certified Welding Inspector (CWI) program whose inspection, American Welding Society, professional activity and civic activities are considered to have enhanced public awareness and opinion of both the Society and the CWI program or otherwise have made an outstanding contribution to the science of welding inspection.

There are three levels of consideration for this Award; National Level, District Level and Section Level. A single nomination may indicate that the nominee is to be considered for all three levels. Selection for the District and Section Level of the awards are made by the District Awards Committee, at the District conference. The National Level of the Award shall be determined by the AWS Certification Committee.

Each AWS District Awards Committee, with its District Director's approval, may submit the name of one nominee by August 1. Districts with total membership exceeding 800 may submit two nominees. There are also three other methods of nomination. The nominations will be held for a period of three years during which the recipient may be selected. The recipient is presented a certificate at the Annual Awards Luncheon during the AWS Show.

Dalton E. Hamilton Memorial District CWI of the Year Award - The District Director and District Awards Subcommittee may select an individual or individuals from names submitted by their respective Sections to receive the District CWI of the Year Award. The certificate will be forwarded to the appropriate District Director for presentation to the awardee at a suitable setting. The number of recipients recognized is at the determination and discretion of the District Director.

Dalton E. Hamilton Memorial Section CWI of the Year Award - A Section may select an individual(s) each year for Section CWI of the Year Award. The certificate will be forwarded to the appropriate District Director for presentation to the awardee at a suitable setting. The number of recipients recognized is at the determination and discretion of the District Director.

h) PRIVATE SECTOR INSTRUCTOR MEMBERSHIP AWARD

This award was established by the AWS Board of directors as a means of honoring educators in the welding community who teach in private facilities. These individuals, in the opinion of the AWS Awards Committee, have advanced the knowledge of welding to their students through apprenticeship programs, internal corporate training programs, and similar nonpublic educational activities.

Qualifying criteria is similar to the Howard E. Adkins Instructor Membership Award but activities are performed in private facilities. Application submission date is August 1.

The national recipient(s) receives a certificate, one-year AWS membership, and free registration to attend the full Professional program held during the fall AWS show in the year the certificate is presented. The award presentation occurs at the annual Awards/Foundation Luncheon held during the fall AWS Show. For an application submitted August 2010, selected by the Awards Committee as the recipient, and approved by Districts Council spring 2011, the individual would receive their award material fall 2011.

District Level Recognition - This award was established by the AWS Board of Directors as a means of honoring candidates at the District level, who have been nominated for the Private Sector Instructor Award but were not selected by the AWS Awards Committee to receive national recognition.

The submission acceptance date is at the discretion of the District Director. Unless otherwise designated, all candidates submitted for the Private Sector Instructor Award will automatically receive District level recognition consisting of a certificate that will be forwarded to the appropriate District Director for presentation to the awardee at a suitable setting. Selection is in conjunction with the Private Sector Instructor Award and is automatic.

Section Level Recognition - This award was established by the AWS Board of Directors as a means of honoring candidates at the Section level, who have been nominated for the Private Sector Instructor Award but were not selected by the AWS Awards Committee to receive national recognition.

The submission acceptance date is at the discretion of the District Director. Unless otherwise designated, all candidates submitted for the Private Sector Instructor Award will automatically receive Section level recognition consisting of a certificate that will be forwarded to the appropriate District Director for presentation to the awardee at a suitable setting. Selection is in conjunction with the Private Sector Instructor Award and is automatic.

IV. MEMBERSHIP AWARDS

a) **DISTINGUISHED MEMBER AWARD** - This recognition was created by the AWS Board of Directors to recognize outstanding service and commitment of AWS members to the Society and the welding industry.

The Distinguished Member classification honors those who have made major contributions at the local and national levels of the Society, participated in AWS education offerings and generated new members.

Distinguished Members receive a certificate and distinctive lapel pin in recognition of their achievements, a listing in the Welding Journal, and upon request a special letter of appreciation sent to the Distinguished Member's employer expressing appreciation for the firm's support. Applications are available off the Society's website at www.aws.org. Upon completion and receipt of the application the certificate and lapel pin will be sent to the recipient unless otherwise advised. Due to multiple recognitions, recipient names are not listed in this directory. Upon presentation, recipients are listed in the *Welding Journal*.

b) **DISTRICT MEMBERSHIP AWARD** - This award, established by the American Welding Society, is to be given annually to the Section in each District registering the greatest net percentage increase in membership during the period January 1 to December 31.

These awards are to be determined on a weighted basis, whereby five points shall be allowed for each Sustaining Member, three points for each Member, two points for each Associate Member and one point for each Student Member. This award consists of a patch. The patch(s) are sent to the current District Director(s) for Section presentation.

c) **HENRY C. NEITZEL NATIONAL MEMBERSHIP AWARDS** - In 1950 Henry C. Neitzel, Chairman of the 1949-51 National Membership Committee, sponsored two awards to be given annually to those Sections of the American Welding Society which had either numerically or by percentage led all other Sections in net membership gain.

One award is given to that Section which has, during the period January 1 to December 31, accomplished the greatest net gain in number of registered members determined on a weighted basis.

One award is given to that Section which has, during the period January 1 to December 31, accomplished the greatest net percentage gain of registered members.

Computation of gain is based upon the member registration on December 31 providing the Section was an officially active Section all during the previous year. Each award consists of a banner or patch determined by the Section's past history.

d) SHELTON L. RITTER NEW MEMBER PROPOSER CERTIFICATE AWARD

This award, established by the American Welding Society, is given as a means of recognizing those individuals who receive 50 or more points for obtaining new AWS members during the period January 1 to December 31.

This is based on receiving five points for each Sustaining Member, three points for each Member, and one point for each Student Member obtained. The award consists of a framed certificate for all members receiving 50 points or more.

e) STUDENT CHAPTER MEMBER AWARD – The Board of Directors established this award for the purpose of recognizing AWS Student Members whose Student Chapter activities have produced outstanding school, community or industry achievements. This award provides an excellent opportunity for Student Chapter Advisors, Section Officers and District Directors to recognize outstanding students affiliated with AWS Student Chapters, as well as to enhance the image of welding within their community. Due to multiple recognitions, recipient names are not listed in this directory. Upon presentation, recipients are listed in the *Welding Journal*.

V. ADDITIONAL INFORMATION

a) SECTION INDUSTRY SPONSOR RECOGNITION CERTIFICATE – To promote and recognize a Section's local industry sponsors, this appreciation certification program was initiated in 1989. Each fiscal year, five certificates will be made available to Section at no cost. Thereafter, a modest fee will be assessed for each additional certificate requested during that year. Certificates are inscribed with the name of the sponsor, Section name, year of sponsorship, and are signed by the AWS President. Space is also provided for the Section Chairman's signature. Contact the AWS Membership Department for information.

Selection of the Dalton E. Hamilton Memorial CWI of the Year Award

Dalton E. Hamilton Memorial CWI of the Year Award - An award made by the American Welding Society (AWS) with the selection process conducted by the AWS Certification Committee. This award is to be given only for meritorious service as an Inspector of Welds, and need not be awarded during any year when suitable candidates are not nominated as determined by the Selection Committee of the Certification Committee of the AWS.

1. Responsibilities

1.1 All persons submitting nominations for this award shall prepare the nomination documentation as described in Section 6 of this procedure.

1.2 All District Directors and District Award Committees should follow the steps provided in Section 2.

1.3 The AWS Awards Coordinator shall forward all nominations to the Chairman of the Certification Committee as stated in Section 6.

1.4 The Chairman of the Certification Committee of AWS shall appoint a Section Committee in accordance with its Rules of Operation.

1.5 The Selection Committee shall proceed with its selection in accordance with Section 2.

2. Requirements and Recommendations

2.1 Nomination Sequence and Timeline - All submissions for the Dalton E. Hamilton CWI of the year award must be submitted to the District Director or the District Awards Committee, by a date selected by the District Director in each district. The District Director shall submit the District nominees for the National Level award, (Dalton E. Hamilton Certified Welding Inspector of the Year Award), to the AWS Awards Coordinator, by August 1 of that year. District and Section level winners shall be selected by the District Director and/or the District Awards Committee, and the names of the winners (for District and Section level awards) shall be forwarded to the AWS Awards Coordinator.

2.2 District Director Endorsements - The District Director shall attach a cover letter, typed on District letterhead, for each submission packet for the National Level Award, stating that the individual has been chosen as the National Level nominee from that District. The District Director, at his/her discretion, may endorse, or add comments about the merits of the nominees being endorsed. These comments may be considered by the selection committee. The lack of any letter from the District Director will be deemed by the selection committee to be a negative endorsement or adverse comment about the nominee.

2.3 Nominee Submissions - Submission without nominee's knowledge with the prior approval of the District Director, an individual may be nominated and submitted of the National Level of this award, without his/her direct knowledge. This may be done by a Section or District Committee or ad-hoc task group that has the authority from the Section Executive Committee, or the District Awards Committee, to do so.

2.3.1 When a person is submitted for this award without his/her knowledge, the requirement for the individual to sign the award application is waived. In this instance, the leader of the ad-hoc task group will sign the award submission, and attest that the information is true to the best of his/her knowledge, by including the statement I certify that I have conducted an extensive review of this nomination, and to the best of my knowledge this application contains no incorrect or untrue statements, or exaggerations. Furthermore, I certify that to the best of my knowledge the nominee has no direct knowledge that his action is being taken on his behalf. This statement shall be placed on the cover sheet to the unsigned application.

2.3.2 All the other requirements, and line items on the application form of the award submission must still be addressed and completed.

2.3.3 It is incumbent on such an Ad-Hoc Task Group to compile a credible and worthy submission packet which adequately describes the attributes that make their candidate worthy of this award. No extra consideration or dispensation will be given to a candidate because the nomination is submitted by a third party, or because it was impossible or too difficult to obtain such information without alerting the nominee.

2.4 Recommendation/Support Letters - Letters of recommendation shall be included with the nomination packet. All letters in support of a nomination shall describe specific instances of work experience that indicate meritorious activity, superior performance or special contribution to the field of welding inspection.

2.4.1 All endorsement letters supporting the nomination shall be dated within twelve months of submission for consideration except for self-employed nominees who are self employed and are providing letters according to 6.4.4 below.

2.4.2 A letter of recommendation shall be included from the candidate's supervisor, but in special situations may be from another party such as an employer or contract manager. The letter shall be from a management type of person, directly involved with the work of the nominee. The letter shall be on official letterhead for the company involved.

2.4.3 A letter of recommendation shall also be included from the candidate's peer inspector. The letter shall be from an AWS Certified Welding Inspector directly involved with the work of the nominee. The letter should be on official letterhead of the company involved.

2.4.4 When an individual who is self-employed is applying for, or is being submitted for this award, the requirement for the supervisor letter and a peer letter is waived. Instead of a supervisor or peer letter, the submission shall contain other letters describing the nominee's functions and meritorious accomplishments. These letters shall be obtained from individuals, who have first hand intimate knowledge or anecdotal knowledge, of the nominee's activities.

The persons submitting the letters shall come from one or more of the following:

- a customer, contractor, government agency, owner, and engineering firm involved in the inspection
- an associate involved in quality control or acceptance inspection
- a regulatory agency or third party surveillance company who can describe in detail the nominee's activities
- a law firm, or attorney involved with the inspection activity
- other persons that can present credible evidence of meritorious activities.

3. Nomination Package

3.1 Copies of supporting documentation shall be clear and legible.

3.2 Color copies are desirable, but the lack of color copies will not detract from the proper consideration of the candidate for the award.

3.3 The information listed in these rules as required to be submitted with the application, is the minimum documentation required. Additional supporting documentation is usually helpful, and may be considered by the selection committee. Such additional information is not mandatory for consideration or selection.

3.4 Copies of diplomas, certificates, awards, certifications, and letters of appreciation may also be included whenever appropriate.

4. Three Year Activity

Nominations shall be valid for three years. At the end of the third year following the initial submission, the nomination packets of those who have not been selected shall be considered invalid. This does not preclude a nominee from being submitted anew every, or resubmitted at the end of the three year period, if otherwise eligible.

5. Other activities of merit

5.1 Civic and professional participation, may include such diverse things as, participation in AWS or other technical/professional societies, public service activity, youth service organizations, community volunteer work, social service activities, neighborhood watch, hospital volunteering,

veterans groups, charitable work groups, and other groups not enumerated. Political party activity and political volunteer work is specially excluded.

5.2 Publications/presentation/lectures may include such diverse activities as speaking at a Section Meeting, technical presentations or articles reviewed by appropriate peer groups, articles written for a Section newsletter, lectures in a University or other educational institution, training lectures other than at educational institutions, articles published in major periodicals or industry publications, and even presentations not related to the welding field. Bibliographic publication listings may be attached, but the body of publications themselves should not be attached.

6. Award Level

The application shall designate the level of award for which the nominee is to be considered.

7. Self-nomination

Individuals may submit their own names in nomination. However, all nominations submitted by an individual, must go through the District Director, the Section Executive Committee, or the Section Awards Committee for further consideration. Nominations submitted directly to the Certification Committee, or to the AWS Awards Coordinator, without going through the Sections or Districts, except for those covered by 6.10 below may be rejected without comment by the selection committee.

8. Section and District Affiliation

Nominations for individuals who are not part of a Section structure, (such as unaffiliated overseas members) may be submitted for further consideration, and will be considered on a case by case basis. Such nominations will not be considered, if in the opinion of the selection committee, there is no compelling reason that the person could not belong to and participate in a Section.

9. Required Records

All records associated with this award shall be kept for a period of five years.
