This is an official certification program including up-to-date handouts, and instruction on all the requirements for certification of welding inspectors. **We offer Part B Practical Workshop & Review.** This is a One-day review for CWI Part B Retest applicants, 9 years CWI Renewals and CSWIP Bridging Exam applicants. This workshop is on every Wednesday of a CWI Seminar.

Registration: Registration is processed only by submittal of application and fees on NTI campus for self-sponsored candidates. Effective January 1, 2008, late submittal of CWI application will result in fast-track application processing fee.

Payment: Submittal of payment is in demand draft in the name of **NDT Technology Center.**

Application Forms: can be requested by email: msalsuhaim@sbm.net.sa

Should you wish to enroll, please forward the exact fees and required application by courier to the address below:
