

ERRATA SHEET

AWS B2.1:2005, *Specification for Welding Procedure and Performance Qualification*

The following Errata have been identified and incorporated into the current reprint of this document.

May 2006 Errata

Page 20 — Clause 2.13.3(8), change “detoxidant” to “deoxidant.”

Page 21 — Clause 2.13.9(2), change “multipass” to “multiple.”

August 2006 Errata

Page 9 — Table 2.1, where the Groove Weld and Bend Test columns intersect, there should be a “Yes⁽¹⁾” in the Groove Weld column of the table instead of just “[Note (1)].”

Page 9 — Table 2.1, the intersection of the Bend Test and the Fillet Weld Bend-Break Test column should be “ - ” instead of “Yes.”
